Homecoming Set For Students, Exes

For Rural Life Improvement

Leo Fuchs Nominated For Award

Supervisors of Central Texas Soil Conservation District selected Leo Fuchs of Cameron as their nominee for the Hoblitzelle award.

Mr. Fuchs will be considered among others in the state for this coveted $5,000 award, which is given each year by the Texas Research Foundation. The purpose of the 1964 awards is to recognize individual achievement in the field of rural life improvement.

In selecting Mr. Fuchs as a nominee for this award the supervisors considered his personal achievements through the years and his contribution to his family, church, community, county, state, national, and even at the international level.

On his 483-acre poultry and stock farm, he has demonstrated an outstanding job of soil and water conservation. Each acre has been treated according to the need and land use changes have been made to fit the capabilities of the land.

His record of conservation accomplishments shows 70 acres of cropland that are covered with a growing cover crop each year and with residue management that leaves cover on the land when crops are not growing. His cropping system and fertilizer program are designed to improve the soil each year. On the pasture land, he has constructed eight ponds of all sizes. These are well managed and stocked with fish.

Over 300 acres of brush have been removed and the pasture renovated by overseeding and fertilizing. He has established about 100 acres of Coastal Bermuda, and cross fences have been built to help him get better grazing management on all of the land.

Even though these accomplishments are impressive, the District Supervisors were more impressed by his interest in natural resources and his determination to advance and use new ideas and techniques to improve his farm and the community.

STARTED 25 YEARS AGO

Mr. Fuchs likes to say he "turned chicken" 26 years ago when he and his brother, Theo, originated the organization which is today known as The Ideal Poultry Breeding Farms, Inc.

But his philosophy of life, "I can, I will," has taken him far.

The original houses were built on Mrs. H. A. Fuch's home place but a number of years later Leo and Theo each got together $250, and they bought 21 acres of rough, worn, sandy land for $45 an acre. It was on this land that three laying houses were moved from the original homeplace and the expansion program began.

Leo Fuchs is the Central Texas nominee for the 1964 Hoblitzelle Award for Advancement of Texas Rural Life. The awards, $5,000 in cash, a gold medal and a scroll, is given for improvement of rural life over a 4 year period.

Later 29 acres of adjoining land was purchased, then 300 more and recently 129 acres was added to their site located about 7 miles west of Cameron.

About 60 acres of this land is devoted to poultry breeding and the balance is used for cattle.

Mr. Fuchs enjoys working with cattle and on Sunday afternoons it is quite common to find him doctoring a calf, milking a cow or checking his pen of springing heifers and cows. Then, late in the afternoon, you could probably find him down at the pond fishing for some of the big channel cats he loves to catch. Recently, he caught a 12-pound channel cat on a regular fishing pole in one of his ponds.

SONS BACK FATHER

Yet, his first love is poultry breeding. He has sent his two sons, Alton and Monroe, to Texas A&M College, where both graduated from the School of Agriculture with each majoring in Poultry Science. Alton graduated in 1954; Monroe in 1956 and then went an additional year to receive his Master's Degree in Poultry Genetics.

Mr. Fuchs once presented a question to his sons which was stated something like this, "We are living in very rapidly changing times. What do you boys wish to do? Do you wish to obtain a franchise from some large, outstanding breeder, or do you wish to compete with them?"

There answer is evident. Alton handles the franchise dealership and Monroe is manager of the Breeding Farm.

WORK PRODUCES GROWTH

At that time, however, the majority of Fuch's chicken sales were state and local sales, with very little out-of- state business being done. After Fuchs saw the view his sons had taken, he offered them the leadership and the courage which led to the development of the Ideal H-3-W, which is now being represented in Spain, Italy, Belgium, France, Lebanon, Ceylon, Greece, Mexico, Phillippines, Chili, Venezuela, Japan, Formosa and 16 states.

During this tremendous building program, Mr. Fuchs has found time to be President of the Texas Poultry Improvement Association in 1955 and 1963; The Texas Delegate to the National Poultry Improvement Plan where he was appointed and served two terms, a member of his church council at the Hope Lutheran Church in Buckholts; Secretary of the Church Council; and a Life Member to the Poultry Science Club of the Agricultural and Mechanical College of Texas.

He was one of the originators of the Texas Random Texas Tests for Egg Production Stock; was appointed to the Texas Poultry Improvement Board; appointed as representative to the Texas Poultry Improvement Association; Texas Feed and Fertilizer Control Service Board; honorary member of the association Future Farmers of America; holder of honorary Lone Star Farmer degree; Director of the Buckholts State Bank; Chairman of the Junior Livestock Show; originator of poultry association of local Chamber of Commerce through the organization of a broiler show involving local businessmen and children of Milam County.

County - State Favor Poll Tax

Milam County joined other Texas voters and voted down the amendment to repeal the poll tax in last Saturdays amendment election by a 303,763 to 237,524 vote.

On other issues, the 541,287 voters in the State turned down two other proposed amendments but approved one raising the state ceiling on welfare payments.

The rejected amendment included one to extend the state program for selling land to war veterans, defeated 240,994 to 249,104, and a local pension issue for Jefferson County, defeated 199,865 to 234,777.

In Milam County 38 of the 39 voting boxes were in by mid-week and figures showed the poll tax issue received 423 votes to repeal the poll tax and 975 votes against the amendment.

The amendment to increase the assistance payments to the needy aged, needy blind, children and other needy individuals carried a 812 vote for the proposed amendment and 532 against the amendment.

County figures showed a 444 vote against the political subdivisions within Jefferson County to establish a retirement fund for appointive officers and 768 against.

The Veterans' Land Fund carried in Milam County 705 for and 603 against, but was defeated in the state-wide vote.

Texas had a record turnout of voters for an off-year amendment election.

Yoemen, Tigers Battle For Bell

The Cameron Yoemen will host the Rockdale Tigers for their Homecoming game Firday night at Yoe Stadium. Game time is 7:30 p.m.

It will be a battle for the bell and the Yoemen will be striving to mar the Tigers record.

Although Rockdale has already cinched the district title by going through the entire season without a loss and having no touchdowns scored on them, it should be a great battle.

If the Yoemen should upset the heavily favored Tiger team, Rockdale would still represent the district since they have beaten the other district contender, Caldwell.

The Yoeman now have a 2-1-1 district record.

Cameron's 9th grade team will play the Rockdale 9th grade team Thursday night at Tiger Stadium. Game time will be 7:00 p.m.

Reserve seat tickets will be on sale at the Principal's office all this week for the Homecoming game.

A pep rally and homecoming bonfire will be held Thursday from 6 to 6:30 p.m. at the old ball park on the West side of Cameron.

Highlighting the halftime ceremonies will be the presentation of the 1963 Homecoming Queen and her court.

Rockdale, the 1962 State finalist, is said to be as "big as the side of a barn," by Cameron Head Coach George Kirk.

The Tigers average 196 pounds, according to the program weights on the offensive squad. Rockdale will boost the heaviest team to meet the Yoemen this year.

Playing as seniors for the last year on the Rockdale squad are seven starters and three reserves.

The entire backfield is made up of senior boys and are some of the finest backs in the state.

Quarterback Dickie Summers at 180 pounds is known for his excellent passing and running ability.

Also outstanding in their backfield is L. B. Kubiak at 200 pounds who will man the fullback spot, Ronny Menn at 192 pounds and Mike Liles at 200 pounds at the halfback positions.

In the line is Ernie Laurence playing end with all his 175 pounds, center Don Cumbie with 181 pounds of flesh rearing to go and Gary Holliman heaving 255 pounds at right tackle.

Senior reserves are Robert Jenson, a quarterback, and George Moses and Robert Urban.

The remaining Rockdale starting lineup are junior boys with Bobby Remaley being the heaviest boy tipping the scales at 243 pounds. He will man the left tackle position. David Killen at 150 pounds is at left guard, Douglas Young, 180 pounds at right guard and 162 pound Copie Perry at right end.

On the Yoemen team 11 squadmen will be playing their last game.

Senior tailbacks Craig Wallace and Clark Wohleb have been out a good bit of the season with injuries suffered early in the year and will probably get to see very little action Friday night.

Other seniors are Larry Plentl, R. L. Mikulec, Ronald Kostroun, August Dohnalik, Larry Hillman, Mike Koranek, Ronald McWilliams, Merlin Lester and Robert Moraw. Coach Kirk said at mid-week that fullback Mike "Bull" McDaniel was out with a leg injury and would get to see very little if any, action this Friday. McDaniel, a 183 sophomore, has played tremendous ball this year and still has two more years to play.

Also on the list of players who are ill are Robert Moraw, a 170 pound tackle, and junior Dicky Ponder.

Coach Kirk said the boys will play as in the past with no fancy stuff or changes except to replace the boys who will not be able to participate.

Donald Manley, a 132 pound freshman, will probably replace Dicky Ponder at the defensive right halfback slot.

Doug McFarland, a 151 pound Sophomore will start at the fullback slot replacing McDaniel.

George Bowman, 162 pound junior, will play linebacker on defense replacing Moraw and McWilliams will replace Moraw at the defensive end slot.

Possible offensive starting lineup will be 153 pound quarterback Mack McKinney, 151 pound sophomore McFarland at fullback, 172 pound junior Mike Perrin and 149 pound junior Dennis Jistel at halfback.

In the line Merlin Lester, 154 pounds and McWilliams at 175 pounds will man the end positions; Cliff Evans 154 pound junior and Mike Koranek a 189 pound senior will be at tackle; Dohnalik, heaviest man on the team with 198 pounds, will be at guard along with R. L. Mikulec at 155 pounds and Larry Manley, 155 pound junior at center.

On the defense Louis Dohnalik and Edward Dohnalik will be at guard; Koranek and Moraw or McWilliams at end; outside linebacker, Larry Manley and R. L. Mikulec; inside linebacker, Perrin and Bowman; Jistel at safety and Plenti and Manley at defensive halfback.

TICKETS SCARCE

Those interested in reserved seat tickets for the game Friday night should come by Mr. Hughes office in the High School and pick them up as soon as possible as they are going fast.

Architect Dies Of Heart Attack

J. E. Johnson, 73, architect and former teacher, died Staurday following a heart attack.

Funeral services were held Monday at the First Presbyterian Church. Rev. Eugene Strickland officiated with burial in the Oak Hill Cemetery.

Mr. Johnson was born January 1, 1890 at Eddy. As a young man he worked for the Haitian-American Sugar Co. as supervisor of construction of sugar plants in Haiti. In later years he was known as an historian of the West Indies.

He maintained an architectural office in Cameron until 1943 and during that time was architect for the Sharp, Milano and Thorndale schools, the REA building in Bartlett, Cameron First Baptist Church Educational Building, Brady Building in Cameron and a number of local residences. He also planned the remodeling of the Milam County Courthouse and the Rockdale City Hall.

After closing his office in Cameron he taught engineering and architectural drafting at Technical High School, Fort Worth for 16 years, until his retirement in 1960.

Since his retirement he has remained active as an architectural consultant and this year designed the Emory Camp Building in Rockdale.

He was a Deacon in the First Presbyterian Church, a member of St. Andres Masonic Lodge 170, member of the Waco Shrine and the Cameron Rotary Club.

Survivors include his wife, Mrs. Sallie Kate Johnson of Cameron; son, Robert Johnson of Washington, D. C.; three brothers, Rodney Johnson, Leonard Johnson and Morris Johnson, all of California; two sisters, Mrs. Paul Noel of California and Mrs. D. B. Beck of Fort Worth.

Pallbearers were Walter Lawrence, Drayton McLane Jr., Joe Crane, William Crane, D. B. Beck and Malcolm Dimmitt.

Mar ek-Burns funeral home was in charge of arrangements.

Many Years Of Growth

Outlook Bright For New Library

By LOIS SAPP

Cameron may soon see a dream come true and will have a new and beautiful cultural center for learning.

Plans for a fund raising drive to construct the proposed $40,000 library for this city will be discussed Monday, November 18, at the annual Cameron Library Board meeting, according to Miss Mildred Thornton, president.

All interested persons are invited to attend the meeting at the Methodist Fellowship Hall at 7:30 p.m.

The Library Board and their supporters hope to be able, in the very near future, to give Cameron an adequate library building.

Success of the $40,000 library plans will see the new facility on the E. Fourth Street site, set aside two years ago by the City.

The proposed plan is not something that has just happened overnight, but has taken many years of slow and continual growth.

FIRST LIBRARY

Cameron's first library was established in the early 1950's and was then housed in a frame building located adjacent to the present Little League Baseball field.

On November 11, 1961, the first move was made to more adequate quarters at the 112 E. First Street location.

It was a combined effort of Cameron City officials, school officials, the library board and dozens of citizens that made the move possible.

In just one month following the move, the amount of books checked out doubled and the percentage of gain was very impressive and showed that interest was mounting.

Support of the library was forthcoming by membership drives and benefits but took many appeals to the public to continue the support.

SEEKS HELP

Finally the Library Board had to ask the City Council for budget funds from the city in May of 1962. At that time the City budget had already been drawn up but consideration was to come when the 1962-63 budget was drawn up.

Councilmen decided they would let the voters decide and presented the Library Maintenance Fund Referendum on the March 1963 voting ballot. It carried 2 to 1 and the library began receiving a $2,500 fund.

The big boost came in September when the City announced it's decision to set aside $10,000 to come in a period of two years, to the Cameron Public Library Building Fund along with the $2,500 maintenance expense.

NEW LIBRARY

With this extra backing the Library Board drew up plans for the proposed new building and unveiled their plan on October 10, 1963.

The building will be constructed of brick, arched glass and prestressed stone and will be nestled in trees native to the site.

Interior planning includes central heating and air conditioning desks, book shelving and stacks to handle 6,000 volumes and stacks. A reading room - meeting room with seating capacity of about 150 people is planned in the $40,000 building project.

YOE HIGH DANCE

A Homecoming dance will be held for all Yoe High students following the football game at the Ben Milam cafeteria.

Vince Kubecka Rites Held In Cameron Monday

Vince A. Kubecka, 83, died Saturday following a heart attack. Funeral services were held Monday at the Marek-Burns Funeral Home. Rev. Eugene Strickland officiated with burial in the Oak Hill Cemetery.

Mr. Kubecka was born June 11, 1880 at Morava near Schulenberg.

Survivors include his wife, Mrs. Annie Schiller Kubecka of Cameron, three sons, V. A. Kubecka Jr. of Cameron; Louis Kubecka of Austin and Leroy Kubecka of Downey, California; two sisters, Mrs. Jennie Warner of Cameron and Mrs. Will Kostroun of Marak and six grandchildren.

Pallbearers were J. C. Andres, Emory B. Camp, A. W. Zajicek, Floyd Stark, Grady Allen and Don Humble.

C of C Is Seeking Float Entries For Christmas Parade

Santa will be in Cameron, Friday, December 6 at 4:30 p.m. for the Annual Christmas Parade sponsored by the Cameron Chamber of Commerce.

Special invitations have been sent to clubs, churches, organizations and schools asking them to participate in this year's parade, according to Mrs. Barbara Smitherman, C of C Secretary-Manager.

Float entries will be competing for cash prizes of $15, $10 and $5.

Any club wishing to sponsor a float for a children's group or similar group may do so. The Chamber is seeking a variety of entires hoping to make this one of their biggest Christmas parades.

School Board To Hold Regular Meeting Thursday

The Cameron School Board will meet in regular monthly session Thursday at 7:30 p.m. at the Ben Milam School.

Supt. Charles Ziegler said only one item was on the agenda other than the routine bills and financial reports.

They are hoping for a report from the Equalization Board on their findings in the study of the tax appraisals for the Cameron Independent School District.

If they do report and if it is favorable the School Board should set a percentage of assessed value, Ziegler said.

MILAM COUNTY GRAND JURY TO CONVENE FRIDAY

The Milam County Grand Jury will convene Friday at 9 a.m. at the Milam District Courtroom for the November session.

Five cases are likely to be considered by the Grand Jury, according to County Attorney John Henderson Jr.

The murder case against Darrell Shuffield, 31, of Rockdale, who has been charged with the death of Albert Ray Wheelus Jr., 21, of Lexington, is expected to be presented to the jury.

Also a case of driving a vehicle without the owners consent involving Clarence Ray Kelley of Rt. 2, Calvert, may be presented.

Three felony hot check cases against A. B. Richards of Cameron, W. J. Loflin (address unknown) and E. L. Pharis of Houston are the other cases likely to be considered by the Grand Jury.

Homecoming Dance To Honor Yoe High School Exes Fri.

All Yoe High School Exes and their guests are invited to attend the annual Homecoming Dance following the football game between Rockdale and Cameron Friday night. The dance is sponsored by the Cameron Couples Club.

Joe Lee Vybiral, president of the local organization said the dance would be held at the KC Hall located next door to the Cameron Bowling Lanes.

Refreshments will be served and exes will be asked to sign the registration book.

Any class wishing to hold a reunion party may call for reservations by contacting Jesse Kirk, chairman of this year's dance.

Blood Needed!

Officials of the Red Cross Blood Program for Milam County and residents who are interested in the success of the program, met at the Western Room of the Texan Cafe Wednesday morning at 7:07 a.m. to hear Ed Walker, a Field Representative of the Waco Blood Center, give a run-down on the conditions of the Program in Milam County.

Ralph Nichols, Milam County Blood Program Chairman was also present along with Eugene Smitherman.

Smitherman, chairman of the North Milam area, called the breakfast meeting to organize a working team. The workers will sign up nine other people besides themselves before November 29.

The Bloodmobile will be in Cameron December 3, 1963 at the Methodist Fellowship Hall from 12 noon to 6 p.m.

"Extra effort to bring the North Milam quota up to par is being made, thus far we have fallen short of our 70 pint quota on each visit," Smitherman said.

The goal is to have 225 prospective donors to show up in hopes of receiving at least 150 units of blood in order to make up the deficiency.

"When one of the workers contact you for your pledge, just remember that the pint of blood you give may be needed by someone in your own family," Smitherman added.

Mrs. M. I. Tucker Services Held In Cameron Saturday

Funeral services for Mrs. Maggie Ione Tucker, 73, who died at the home of her son at 604 East 4th Street Thursday, were held Saturday at Marek-Burns Funeral Home. Rev. H. M. Bowley officiated with burial in the Oak Hill Cemetery.

Mrs. Tucker was born in Milam County and had made her home in Cameron since 1947.

Survivors include eight sons: Preston Bowie Tucker, Ray Tucker, Murrell Tucker and James Tucker all of Cameron, Johnnie Tucker of the US Air Force in Alaska and Leon Tucker of Baytown; three daughters, Mrs. Malcolm Cass of Cameron, Mrs. Raymond Ashley of Milano and Mrs. Bennie Vybiral of Bryan; four brothers, Pollie Caffey of Thrall, Hugh Caffey and Dow Caffey, both of Salty and Enoch Caffey of Rockdale; two sisters, Mrs. Charlie Tucker of Rockdale and Mrs. Lonnie Fletcher of Arlington; 20 grandchildren and 2 great-grandchildren.

Lions Gross $800 In Broom Sale

The Cameron Lions Club annual Broom and Mop Sale was termed very successful by the president of the organization, Edward Schiller, who said they exceeded an $800 sale.

"We want to thank everyone who participated in last Tuesday's sale in order to make it a success," Schiller said and added "Without the help of all the people in Cameron this would not have been possible."

The profit from the sale will go to help the Crippled Childrens Camp in Kerrville, located in the Hill Country of Central Texas and for local charity work.

Arnold Juergens Rites

Accident Kills Milam Youth

Arnold Thomas Juergens, 19, a student at Sam Houston College in Huntsville, was killed in a two car accident at Huntsville Saturday.

Funeral services were held Monday at the United Church of Christ in Ben Arnold. Rev. Alan Peabody of Waco and Rev. K. Kalkbrenner officiated with burial in the Woodland cemetery in Rosebud.

The son of Mr. and Mrs. Arnold Juergens of Rt. 3, Rosebud, young Juergens was a sophomore in college at Huntsville and was majoring in Chemistry. He was born September 9, 1944 in Cameron and graduated from the Rosebud High School. He attended elementary school in Burlington and Rosebud. He was an honor graduate of Rosebud High being president of the senior class in 1962, was a six year member of the Rosebud Black Panther band, vice president of the Band, played basket ball four years and was in the FFA for 2 years. He was a member of the United Church of Christ at Ben Arnold where he was in the youth fellowship group.

The accident happened at 9:30 p.m. Saturday in the Riverside Community in Waller County located 12 miles from Huntsville.

Survivors include his parents; grandparents, Otto Juergens of Burlington and Mrs. Anna Slama of Cameron; sisters, Mrs. Barbara Pinkerton of Houston and Miss Francine Juergens of Rosebud.

Pallbearers were Don Pimpler, Leon Rummell, Glenn Stock, Larry Bruggman, David Barkemeyer and Harold Swanzy.

Marek-Burns Funeral Home in Cameron was in charge of arrangements.

On Milam's Farms and Ranches

News About Milam County Farmers and Ranchers, Their Interests, And Activities

A&M Consolidated Wins FFA District Leadership Contest

COLLEGE STATION - A & M Consolidated High School's Future Farmers of America Chapter took sweepstakes honors at Texas A & M University Tuesday in the annual district FFA Leadership Contest.

Consolidated teams scored two firsts, two seconds and a third in competition against other high school FFA teams from seven counties in the district.

The Rockdale FFA was second in sweepstakes, and Bryan was third.

In the order named placings in the six contests were the following:

Junior Chapter Conducting: Lexington, Rockdale, A & M Consolidated, Bryan, Rockdale, Caldwell and Lexington.

FFA Quiz: Bryan, Caldwell, Snook, Giddings and Lexington tied, Iola, Rockdale, Somerville and Thorndale.

Radio: A & M Consolidated, Bryan, Snook, Rockdale, Iola and Giddings.

Greenhand Farm Skills: Buckholts, A & M Consolidated and Giddings.

Chapter Farmer Farm Skills: A & M Consolidated, Snook, Buckholts, Giddings and Rockdale.

The top two teams in each event will compete next in the Area 3 contest November 23 in Brenham.

Cotton Growers To Vote On Marketing Quotas For 1964

On December 10, 1963, cotton growers will vote in a referendum on whether marketing quotas will be in effect for the 1964 upland cotton crop.

If at least two-thirds of the votes are for quotas, then quotas will be in effect for the 1964 upland cotton crop, marketing penalties will apply to "excess" cotton on a farm, and price support within the range of 65 to 90 percent of parity will be available to complying farms. If more than one-third of the votes oppose the quotas, there will be no quotas and no penalties applicable to the 1964 upland cotton crop, and price support to complying farms will be available at 50 percent of parity.

Allotments are not affected by the outcome of the balloting. They will remain in effect, whether or not quotas are approved, as a means of determining eligibility for price support.

Notices of 1964 farm allotments will be mailed before December 10 according to Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service.

Does BLADDER IRRITATION MAKE YOU NERVOUS?

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondarily, you may lose sleep and suffer from Headache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. Feel better fast.

County Agent Notes

Cattle Feed For Drouth Period

By J. D. Moore
Milam County Agent

DROUTH FEEDING - The following helpful tips for feeding cows and heifers during drouth conditions are offered by the Oklahoma Extension Service.

Feed at least the minimum roughage requirements. Feed no less than the minimum protein requirements, because: (a) Most roughages are not furnishing as much protein as in normal years. (b) Rumen bacteria require the nitrogen in protein for proper digestion of feeds, ESPECIALLY low quality roughages.

Feed extra phosphorus with minerals. Feed vitamin A - ESPECIALLY to cows with calves and weaner calves. One pound roughage per 100 pounds body weight is the ABSOLUTE minimum for the proper digestive processes. (10 lbs. for 100 lb. cow for example.) Two pounds roughage per 100 ponds body weight should meet maximum energy requirements (2½ lbs. silage equals approximately 1 lb. of hay). One pound of grain (ground or rolled) can be substituted for two pounds roughage.

If grain is substitutued for a part of the roughage, feed 1½ pounds of cottonseed or soybean meal or cake per head per day. If dry grass or grass hay is ample, feed 2 pounds of 41 percent meal per head per day.

If vitamin A is needed, you may substitute one pound of dehydrated alfalfa pellets for one pound cottonseed meal, every other day, or fortify the mixed feed with a commercial vitamin A product. Minerals - Due to the probability of low quality roughage and the use of soybean meal, an adequate supply of phosphorus must be assured. Feed salt and steamed bone meal - half and half - free choice. Dicalcium phosphate may be substituted pound for pound for bone meal.

The above requirements should be increased approximately 50 percent for cows nursing calves, depending on condition. Put calves on creep as soon as they will eat. GRAIN WILL NOT SUBSTITUTE FOR PROTEIN. Buy protein supplement on a price per pound of protein basis.

ADEQUATE PROTEIN — Beef cattle breeding performance research at the University of Florida demonstrates that rations containing inadequate protein permit reproductive failure of yearling beef heifers even when adequate amounts of total digestible nutrients, minerals and vitamins are fed. When less than 1.3 pounds of 41 per cent protein cottonseed meal was fed daily with the severely protein-deficient basal ration, the yearling heifers exhibited delayed puberty, weak expression or absence of estrus (heat period), and early mortality of the embryo in conception occured.

The group offered 2.3 pounds of cottonseed meal daily all settled with calf at first estrus and those offered 1.3 pounds of cottonseed meal were settled not later than the second estrus. None of the heifers which were fed no cottonseed meal or ½ of a pound daily exhibited a normal embryo 44 days after breeding.

FEEDING IN DRYLOT - A group of 34 cows have been maintained in drylot at the Texas Experiment Station, Spur, Texas, since May 1, 1959, on a ration of silage, cottonseed meal and sorghum grain, with a small amount of alfalfa used to replace grain during June and July.

These cows are compared with a similar group of 34 cows on native pasture which are fed cottonseed meal and grain during the winter.

The percentage of calves weaned in the first three calf crops was 85 percent for the drylot cows and 83 percent for those on pasture. Weaning weights for the three years averaged 470 lbs. in drylot and 448 lbs. on pasture.

EI&E

By John E. Snell

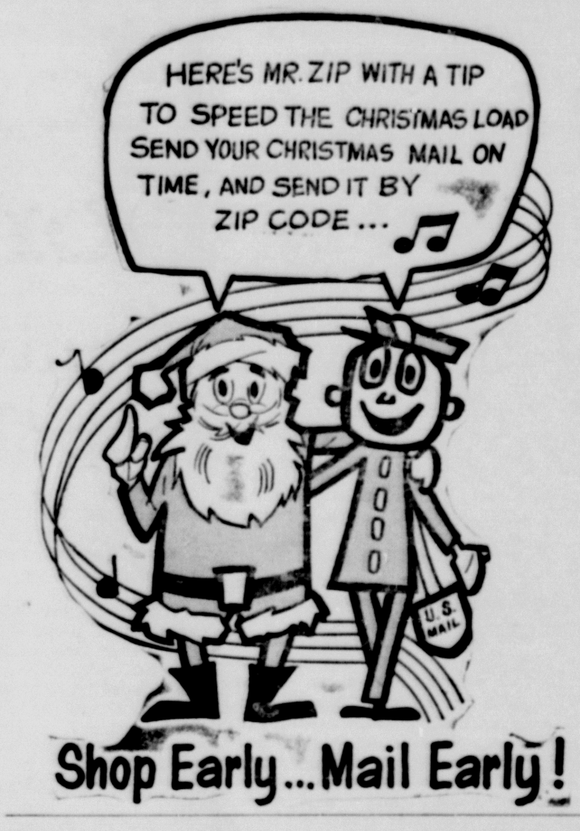

The selection of 4-H members to receive pigs for the 1964 Sears 4-H Foundation Program has been completed. All pigs will be distributed by the 15th of November. The club members selected to receive gilts are Robert Smoots, and Norris Moss from Gause; Elizabeth Nelson Griffin Chapel; Ronald Lewis Mayes and Joann Purifoy from Davilla.

The County boar was awarded to Charles Gadison of Davilla. The County Show for these demonstrators has been tentatively scheduled for March 31, 1964. This is a day ahead of the District Swine Show which is scheduled for April 1.

4-H ADULT LEADER WORKSHOP

The Southern District 4-H Adult Leader Workshop was held in Austin November 6-8. Two leaders from Milam County attended the workshop, Mrs. Lucy M. Brooks of Rockdale and Mr. W. S. Turner of Cameron. Mrs.Brooks received training in 4-H Organization and Mr. Turner was enrolled in Career Exploration.

These courses were taught by Mr. Floyd Lynch and Mr. Garland Marshall, State 4-H Club Leader and Resource Development specialist respectively.

Texas Ranks 30th

Texas ranks 30th among the states in per capita of revenue collected locally by all units of local government - counties, school districts, cities and special districts.

The Texas Municipal League today listed this among facts indicating the comparative Texas standing nationally on matters of local government fiscal affairs. Based on the most recent national surveys conducted by the Advisory Commission on Intergovernmental Relations, TML's report showed the following:

1. Local governments in Texas raised $108.53 per capita in 1960, contrasted with the national average of $126.76. Local revenue raised in Texas amounted to $56.39 per $1,000 of personal income for residents of the state, ranking Texas as 23rd among the states on this measurement.

2. On local government direct general expenditures, Texas was 31st among the states in per capita local outlays averaging $153.47 per individual. This amounted to $79.74 per $1,000 of personal income, placing Texas No. 29 in the nation. On the national average, local government general expenditures amounted to $187.83 per capita, and $84.64 per $1,000 of personal income.

3. Expenditures made through local government in Texas amounted to 62.3 percent of combined state and local outlays, giving Texas a national rank of 17th. The degree of Texas reliance on local government for disbursing public funds is near the national average of 65.2 percent for all 50 states.

4. Intergovernmental expenditure by state government in Texas - payments by the state to local levels of government - were substantially below the national average per capita. Texas state intergovernmental outlays amounted to $34.58 per capita compared to the national average of $51.80. This was 27.1 percent of the total general expenditures by the state in contrast to the 50 state average of 34.1 per cent of state budgets going to support of local governments.

5. Local governments in Texas collect 93.2 percent of local taxes through the property tax, in contrast to the overall 50-state average of 87.8 percent. Non-property taxes raise 6.8 percent of local tax collections in Texas. In 20 of the 50 states, non-property taxes raised more than 10 percent of local government tax revenues, the highest level being 43.7 percent in Alabama.

6. Local non-property taxes, which came into extensive national use during the 1950's as a supplemental source for financing municipalities, account for only 3.4 percent of state and local total tax revenues in Texas. The national average is now 6.1 percent.

Mail Carriers To Distribute Survey Livestock Cards

Rural mail carriers from the Cameron Post office will leave some livestock survey cards along their routes beginning November 15.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Postmaster John Hays said. "For this reason it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are Chas. Nabours, Route 1; Marvin Nance, Route 3, A. L. Mullinax, Route 2; and Kenneth Thweatt, Route 4.

Facts and figures secured in this survey are the basis for Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio and television.

"Notice when he uses a Want Ad — how the publicity goes to John's head!"

4-H Club Girl selected last week was Sandra Barta, daughter of Mr. and Mrs. Alfred Barta of Rt. 2, Cameron. She has been active as a worker and leader in 4-H Club work since 1959.

Sabine National Forest with 183,862 acres is the largest national forest in Texas.

U S EXPORTS HIGH

The United States is the world's largest exporter of agricultural products, with a total of sixty million acres of our farm production being shipped abroad. About $5.1 billion in farm products were exported in 1962.

Mr. and Mrs. Bennie Reynolds Jr., of Houston, Rev. and Mrs. Wickham of Rosebud, Mrs. Bennie Reynolds Sr. and grand daughter of Cameron, Mrs. Bennie Wenzel and Mrs. Minnie Kraatz of Rockdale were Sunday guests in the Bill Roseler home.

Confidences Are Protected By Law

Under the law what you as a client tell your lawyer in confidence he may tell no one else without your consent.

Nor can a judge order him or his professional employees (like secretaries) to reveal such communications in court.

Why have such a privilege?

Chiefly, to do justice, it encourages clients to tell their lawyers what they have to know to help and to advise them fully: things about their family, business, and private affairs, their hopes, fears and ambitions.

No lawyer may speak of certain things, even after a client dies. For a client may well have to give his lawyer details which, if revealed, might harm those he most wanted to protect.

Yet, in some very rare cases, to help carry out the client's desires after death, a lawyer may have to reveal a confidence, under certain safeguards, to uphold his client's purposes.

What are confidential communications?

Anything a client tells his lawyer when he seeks advice about his personal, business, or legal affairs--talks and letters, photographs, charts, and other documents and records.

Confidential communications protect you as the client, not your lawyer. If you break the confidence, a lawyer may also have to talk, for the communication is no longer confidential. You may break a confidence by testifying about it, or by having authorized persons hear or see what was communicated.

No lawyer may keep quiet about a crime or fraud a client has told him he plans to commit. But afterwards, an accused person may talk freely to his lawyer. Even if guilty, he has a right to have his side of the story presented to the court as it may affect his punishment. A person in trouble needs to talk to someone without fear that what he says will become public.

In some states certain other professional people, such as physicians and clergymen, may receive privileged communications. However, Texas law makes no provision for privileged communications with physicians and clergymen.

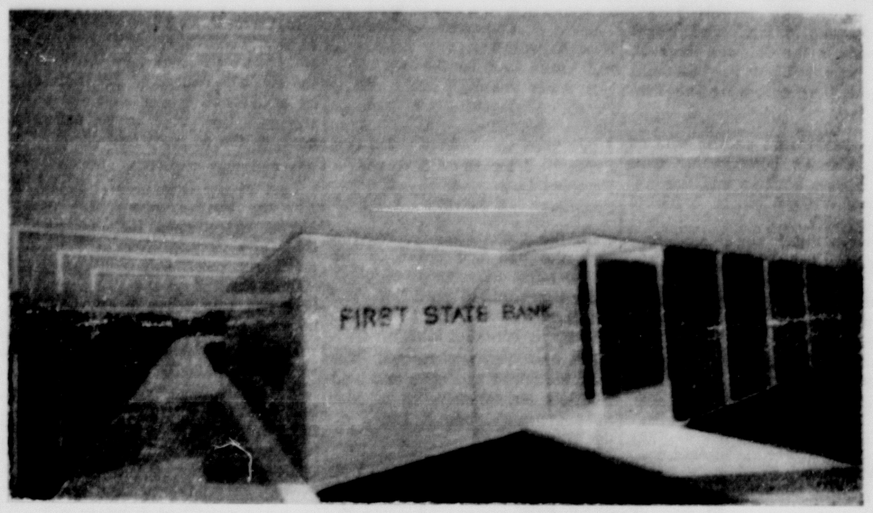

(This newsfeature, prepared by the State Bar of Texas, is written to inform--not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a sight variance in facts may change the application of the law.)

CUT HAY EARLY

For best quality grass hay, cut it when the first seed heads begin to appear. You may lose 25 to 50 percent of the quality of the hay if it is left until it is completely seeded out.

FARM WORKERS

Nearly 8.2 million persons were working on farms during the labor survey in mid-September, says the USDA. This is two per cent less than last year but the number of hired workers is slightly higher.

First State Bank of Rogers recently opened their new office building in downtown Rogers. The new building houses the oldest banking business in Bell County.

Hornets Edge Yoemen 14-8

A duel of strength and might was seen in the Caldwell Hornets, game Friday night in Caldwell with the Hornets edging the Yoemen 14-8.

The stands were packed with as many Yoemen boosters as there were Hornet backers and the crowd saw a hard fought battle to the very end.

Through mud holes and slick grass both teams plowed into the other with the Yoemen controlling the statistics, but were unable to control the score in the district battle.

Cameron lost four fumbles and had two passes intercepted to make the big difference in the game.

Game At A Glance
STATISTICS

	Cameron	Caldwell
First Downs	9	9
Net Yards Rushing	153	133
Net Yards Passing	33	42
Passes Attempted	7	4
Passes Completed	2	1
Intercepted by	0	3
Punts	3 for 38	3 for 41
Fumbles Lost	4	2
Penalties	3 for 25	2 for 20

On the game kickoff, Cameron took the ball and drove to the 35 yard line in a series of plays from their own 15 yard line. The ball flew loose at the 35 for the first spirit breaking fumble.

But the Yoemen seemed just mad enough to bite nails and held the next Hornet drive to be just as unsuccessful and it ended on the 27 yard line.

In the next series of drives, an anxious Yoeman lost control of the ball when the ball flew high in the air, was caught on the bounce by a Caldwell player who ran to the goal line, only to be called back to the 50 yard line.

STRENGTHS TANGLE

Last of the first quarter action saw the Yoemen again hold the Hornet drive when they reached their own 33 yard line. A fourth down punt put Cameron in possession of the ball on the Yoe 2 yard line, and they drove to the 10 as the quarter ended.

At the 17 yard line the Yoemen were forced into a punting situation. The fourth down punt put the ball to the 49 where Caldwell had their first mishap. A Hornet back fumbled the ball and Cameron regained possession but a 15 yard penalty forced the Yoemen into a passing situation in order to pick up the needed yardage for a first down.

The pass was intercepted by halfback Jamie Langham. Cameron's defense again tightened up and their drive fell dead on the 29 yard line.

Starting from their own 30 yard line, the Yoemen went up the muddy gridiron to mid-field where they were once again plagued by a fumble.

From the 48 yard line, the Hornets passed to the Cameron 35 yard line and then threw a 32 yard pass to halfback Edward Skrabanek that put them in scoring position on the 2 yard line.

HORNETS HIT SCOREBOARD

With only 6 seconds remaining on the (unofficial) clock, the Yoemen held strong at the two yard line for the first down. But on the second down fullback Charles Dubcak went off left tackle and crossed over into the end zone for Caldwell's first score.

Tackle Ben Trcalek kicked the conversion to bring the score to 7-0 at half time.

In the first few seconds of play in the third quarter a mud covered Caldwell back (nobody knew who) lost control of the slippery ball and Cameron covered a fumble.

From the 37 yard line, quarterback McKinney threw a long pass intended for a Yoe end but was intercepted by Murphy Davis.

End Davis went all 65 yards for the second Caldwell tally. Trcalek again kicked the extra point.

Determination and desire mounted in the Yoemen and taking the ball on their own 44 yard line they began their touchdown march.

In ten plays from scrimmage they went through a Caldwell line that had held off every team this year except for Rockdale who had driven about 12 yards for one of their tallys the week before.

YOE SCORE

Then from eight yards out Mack McKinney went around left end on a keeper play scoring the first Cameron touchdown, climaxing the 66 yard drive.

McKinney scored the two points when the Yoemen line opened a hole through the Hornet tackle spot and then skirted through for two points.

Trying desperately to reach pay dirt once more, the Yoemen took to the air only to have a pass intercepted on the 36 yard line.

OUTSTANDING

Outstanding linemen of the week was Larry Paul Manley with an 89 percent blocking score.

Manley was also outstanding defensive lineman with 9 tackles followed by Mike Perrin and Louis Dohnalik.

Outstanding back of the week was Perrin.

Miss Patsy Zavrel was crowned Homecoming Queen of Buckholts High School Saturday night at the Badgers Field. Miss Zavrel, daughter of Mr. and Mrs. L. J. Zavrel, is vice - president of the senior class and has been a cheerleader for the past 3 years. Oglesby defeated Buckholts 37-6 in a one sided second half game. The Badgers will meet Jerrell in Buckholts at 7:30 p. m. Friday when a victory for the Badgers would place them second for district and a possible tie for district champion.

Jesse Eaton Rites Will Be Held In Cameron Friday

Jesse Eaton, 51, of Buckholts died Sunday in a Big Spring hospital. Funeral services will be held at 2 p.m. Friday in the Green's Funeral Home chapel.

The Rev. H. M. Bowley will officiate. Burial will be in the Chriesman Cemetery in Burleson County, near Caldwell.

Survivors include his wife; two sons, Jeral Gene Eaton and Jesse Eaton Jr., both of Buckholts; two daughters, Mrs. Bobby Loftin and Miss Shirley Eaton, both of Buckholts; two brothers, Rowd Eaton of Seadrift and Jack Eaton of Houston; three sisters, Mrs. Wayne Yarbrough and Mrs. Lee Fields, both of Houston, and Mrs. Fred Gonzales of Lubbock; and three grandchildren.

Miss Sharon Laywell, Bride - Elect, Is Honored At Shower

Ashower honoring Miss Sharon Laywell, bride-elect of Tommy Giesenschlag of Bryan, was held at the First Assembly of God Church with decorations carrying out the bride-elects chosen colors of Autumn rose and white.

Mrs. Johnie Schulte, Jr., of Houston registered guests.

The refreshment table was covered with a cloth of white tulle over linen and centered with a formal arrangement of white mums and autumn roses flanked by crystal candelebra. Crystal serving pieces held nuts, mints, tea sandwiches, potato chips, pickles, olives and cake squares.

Mrs. B. B. McLerran of Freeport served punch from a crystal punch bowl and Mrs. Francis Cole presided at the coffee service.

Hostesses were Mrs. Velma Coward, Mrs. Francis Cole aad Mrs. Geraldine Fritz.

Out of town guests included Mr. and Mrs. E. J. Giesenschlag, parents of the groom, Tommy Giesenschlag and Nita Giesenschlag of Bryan, Mr. and Mrs. T. W. Giesenschlag, grandprents of the groom from Snook, Mrs. Elton Coward of Houston, Mr. and Mrs. Johnie Schulte, Jr. of Houston, Mrs. B. B. McLerran of Freeport, Mrs. L. T. Warren of Waco, Mrs. Allen Dockall and children of Rockdale.

Honored guests wore corsages of white carnations.

Rites Held Here For Less Harbour

Funeral services for Less Harbour, 87, who died at his home at 1302 W. Main in Cameron, were held Tuesday at the Marek-Burns Funeral Home in Cameron. Rev. J. A. Harvey officiated with burial in the North Elm Cemetery.

Mr. Harbrour was born in Alabama in 1875 and recently made his home in Cameron.

What can this modern gas range do that a comparable electric model can't? *Plenty!*

Even women who cook on electric ranges admit they don't have the controllability that gas gives you. When you turn the gas flame "on", it's "on" instantly . . . turn it "off", it's "off" instantly. There's no hangover-heat to cause boil-overs and no pot-shuffling necessary with gas. Another gas exclusive is smokeless broiling — the flame eats up smoke so you can keep the broiler door closed. This means a cooler, smoke-free kitchen — only with gas! How about flame-kissed flavor for steaks and burgers? Only a gas flame does it. But the big plus is economy . . . natural gas is so inexpensive you can cook four meals for the price of one. See the beautiful new automatic gas ranges now on sale at Gas Appliance Dealers and Lone Star Gas!

CLEAN, MODERN GAS COOL, AUTOMATIC

"America's Most Asked For Tire"

the Firestone "500"® NYLON

Speedway Proved for Turnpike Safety

EXTRA HIGH-SPEED SAFETY
Named after the famous Indianapolis 500-mile race, this tire, built with exclusive Firestone Safety-Fortified Nylon Cord, will run safely at speeds faster than you'll ever drive!

EXTRA HEAT RESISTANCE
Engineered in accordance with exacting race tire construction principles with exclusive Speedway Weld bonding process. Gives maximum protection from heat hour after hour of uninterrupted heavy-pedal driving, even on blistering desert highways.

EXTRA SHOCK PROTECTION
Fortified with super strong beads, super tough cord, and the exclusive miracle rubber, Diene, this amazing tire is virtually immune from the torturous punishment of deep chuckholes, bumpy railroad crossings, sharp rocks and curbs.

FIRESTONE "500" NYLONS COST A LITTLE MORE BUT THEY'RE WORTH SO MUCH MORE!

BUY NOW AT THESE SALE PRICES

A GUARANTEE YOU CAN TRUST!

Length of time alone does not determine the value of a tire guarantee... It's the nationwide protection that counts, how far from home your guarantee will be honored. No guarantee — regardless of length — is of any true value unless it can be used when and where you need it!

The Firestone "500" Nylon carries a NATIONWIDE 27-month Road Hazard Guarantee plus a Lifetime Guarantee that is honored by 60,000 Firestone Dealers and Stores throughout the U.S. and Canada — whenever and wherever you need it... And, chances are, with Firestone, you never will!

Firestone DOUBLE GUARANTEE

is honored by more than 60,000 Firestone dealers and stores from coast to coast wherever you travel

1 LIFETIME GUARANTEE against defects in workmanship and materials for the life of the original tread.

2 ROAD HAZARD GUARANTEE against normal road hazards (except repairable punctures) encountered in everyday passenger car use for number of months specified.

Replacements prorated on tread wear and based on Firestone price current at time of adjustment.

Your Firestone GUARANTEE provides protection against tire failure from dozens of road hazards like these: Rotten, Cuts, Curbs, Checkers, Metal, Stones

Priced as shown at Firestone Stores; competitively priced at Fire stone Dealers and at all service stations displaying the Firestone sign.

Herald Editorial Page

New Alcoa Production . . .

Rockdale Works' reopening of its sixth potline is good news for Milam County. It, of course, means the addition of nearly 100 jobs and the accompanying increase of payroll and aluminum production.

Milam County is indeed fortunate to have an industry which relates itself so well to modern uses in all kinds of finished products.

Aluminum's research has developed new uses for new markets for this metal. Its success is the reason there is greater demand for aluminum and that Rockdale's Alcoa plant, most likely among other smelting plants, is returning to full production, first since 1958.

Additional Library Services . . .

The Cameron Public Library has expanded its facilities in recent months to offer "talking book" records and a projector and slides of famous works of art.

These are in addition to the improving number of books in the library, hoping for a new home in the future.

Operating funds are now available for the library, planning a drive for building funds in the near future.

"Talking books" and art slides expand even further the value of the Library, always a reading center of learning in any community.

They are welcome additions to Cameron's Public Library, emphasizing the broader possibilities of such a center to the expanding interests of Cameron and Milam County.

St. Anthony 4-H Club Elect Heads

The St. Anthony 4-H Club has elected new officers for the club year.

George Pavelek was elected president. Jane Mueck is vice president; Ray Kurtz, secretary; Harold Hollas, reporter; Michael Schoppe, treasurer and Bill Ellis, council delegate.

Organization leaders are Mr. and Mrs. Billie J. Ellis.

Brownie Scouts Of Troop 323 Initiated

Last week the Herald listed the girls who were invested into Brownie Scout Troop 323. Katherine Ejems, Lynne Litzman and Malinda Flincher were initiated during the service also. Phylis Hanel was listed as being initiated. However, she is a member of the troop but was unable to attend the services.

JFK Plans Visit To Texas Cities

By Vern Sanford

AUSTIN - Gov. John Connally has made public the itinerary of his famous guests, President and Mrs. John F. Kennedy.

They are due in the Lone Star State on November 21 and 22.

The Kennedys will visit San Antonio, Houston, Fort Worth, Dallas and Austin - in that order.

At noon, he'll attend a Dallas Citizens Council and Graduate Research Center luncheon in Dallas.

Then he'll fly to Austin, arriving at Bergstrom Air Force Base about 4 p.m. That evening Gov. and Mrs. Connally will honor the Kennedys with a reception at the Mansion. Elected Democratic State officials and their wives will attend.

TICKETS BY THE TON - Most touted attraction of President Kennedy's Texas trip is the $100-a-plate dinner, which the State Democratic Executive Committee will sponsor in the Austin Municipal Auditorium at 7:30 p.m. on November 22.

An SDEC aide estimates that a ton of invitations - 60,000 in all - have been mailed to Democrats over the state.

GOLDWATER WAGON - State Rep. Dick Morgan of Dallas, chairman of Texas' Draft Goldwater Committee, named Lewis J. Moorman Jr., San Antonio rancher-oilman as state finance chairman.

Moorman was state GOP finance chairman during the Nixon-for-president Campaign, and in U. S. Sen. John Tower's race in 1961.

GOP National Committeeman Albert B. Fay of Houston appointed members of the party's Candidates Committee to recruit "a blue-ribbon slate of candidates" for Republican primaries in 1964. They will meet in Dallas on December 12, for Republican primaries in 1964.

Recruiting Committee includes Fay, Mrs. Ike Kampmann Jr. of San Antonio, State Chairman Peter O'Donnell Jr. of Dallas, Mrs. G. N. McDaniel of Borger, Mrs. Tobin Armstrong of Armstrong, Wilton Fair of Tyler, W. J. Klattenhoff of Slaton, and J. C. Man Jr. of Wichita Falls.

HOSPITAL POLICIES AIRED - A special committee to review hiring policies in State hospitals was named by the State Board for Hospitals and Special Schools. Action followed disclosures that a convicted kidnapper and former mental patients have worked as doctors at some state institutions.

Dr. Raleigh R.White of Temple said he considered employment by the San Antonio State Hospital of a woman doctor who had served a prison sentence for kidnapping an "error in judgment."

Board Chairman Howard T. Tellepsen of Houston, reacting to newspaper criticism of hiring a former mental patient as a doctor at Wichita Falls State Hospital, pointed to progress made throughout the hospital system.

"Out of a total of some 220 doctors, we have a wonderful, dedicated group of men," Tellepsen commented. "You will find a few sour apples even among personnel of private companies which pay the best salaries, and we don't have a high wage scale compared to private industry."

Tellepsen named Dr. White to the personnel study committee along with Dr. George A. Constant of Victoria and Ward R. Burke of Diboll.

Another committee was named by the Board to select the site for a new school for the mentally retarded, to be located west of the one-hundredth meridian. Members of this committee are C. E. Bentley of Abilene, chairman; Jesse Osborn of Muleshoe; and Walter F. Woodul of Austin.

ADVERTISE TEXAS - Twenty-seven advertising agencies are interested in handling Texas' $200,000 account to promote travel and tourist spending in the State.

The 27 firms told Texas Tourist Development Agency they want to compete for the privilege of ballyhooing the State's attractions to the world. They represent 20 per cent of all agencies contacted. At a November 15 meeting TTDA will determine which firms will be asked to make formal presentation of advertising plans at their next meeting, set for January 16-17.

APPOINTMENTS - Gov. Connally appointed E. W. Boededker of Levelland as District Attorney of the 121st Judicial District. He succeeds Morgan L. Copeland who will join the legal department of Gulf Oil Corp. in Midland on December 1. District is composed of Hockley, Cochran, Yoakum and Terry counties.

Connally also designated Peter Michael Curry of San Antonio as judge of the new 166th District Court of Bexar County, effective February 1. Court was created by the 58th Legislature.

Governor reappointed Judge W. St. John Garwood of Austin, John Peace of San Antonio and Abner McCall of Waco to the Texas Civil Judicial Council. Council was authorized by the Legislature to propose a plan for statewide judicial redistricting.

Earlier, Connally picked Sam Rayburn Bell of Paris, Joseph A. Chandler of Stephenville, J. C. Looney of Edinburg, Charles Prothro of Wichita Falls and Dan C. Looney of Dallas to fill vacancies on the Texas Commission on Higher Education.

House Speaker Byron Tunnell of Tyler appointed Reps. Bill Clayton of Springlake, Henry Fletcher of Luling and Menton Murray of Harlingen to an interim House Committee on Soil and Water Study. Committee is assigned the task of recommending new methods of conserving soil and water resources.

Educational ABC's Of Industry Winners At St. Anthony

Two students from St. Anthony School were successful in the contest held by the Education ABC's of Industry, according to school officials. The following won prizes: Linda Darilek in the essay project and Jo Ann Krenek in the handwriting project. The school was awarded an award also for participating in the projects.

The purpose of the program is to afford an opportunity for students to gain an insight into the way in which different industries operate. Some of the industry stories included are steel, rubber, grain, agriculture, fruit and vegetable processing, oil and gasoline, etc. One manufacturer from each particular product classification, sponsors the story of their product and company. Career stories are also carried. The program fits principally into the social studies area although handwriting plays an important part. Projects are organized on the industries and are done by the students. The best work is sent in as possible prize winners.

The Educational ABC's of Industry is designed completely for use in school and is available only to teachers. A teacher orders a free book for each pupil in the class. Those industries sponsoring pages make the program possible.

A great deal of enjoyment and a real opportunity "to learn by doing" is possible for those students who participate. Thousands of entries are sent in from every state.

In many instances this program provides the only opportunity for a great many young students to really become acquainted with our leading industries and their operations.

OLD PHILOSOPHER

NEWSPAPER READING HABIT USEFUL IN MAINTAINING PEACE OF MIND

Dear editar:

I have a system of reading newspapers which I'd like to recommend to Washington. It's the best system I know for maintaining peace of mind and a consistent foreign policy.

It's simple. Don't read a paper every day, it only mixes you up.

Under my system, I read a newspaper when one turns up, blown onto this Johnson grass farm by the wind, left by insurance salesmen, wrapped around vegetables and such things from my neighbors, thrown out of cars, etc.

You take a man who reads a newspaper every day though and what happens? On Monday he's bent on beating Russia to the moon. On Tuesday he reads Russia has abandoned the moon and by Tuesday afternoon he's decided maybe we ought to call it off too.

Then a week later Mr. Khruschev announces Russia is back in the race, this ties him in a knot, and the whole space program has to be re-evaluated once more.

You can see what it leads to when you read everything Mr. Khrushchev says. My policy is to read only half of what he says and believe none.

Speaking of putting a man on the moon, a friend says he read my letter last week in The Cameron Herald proposing that we put one man on each of the billion planets out in space, and that he has figured it up and since there are only about three billion people on earth it'd take a third of the population to do it.

"Your idea is impractical," he said. "The idea, sending a third of the people out into spaced"

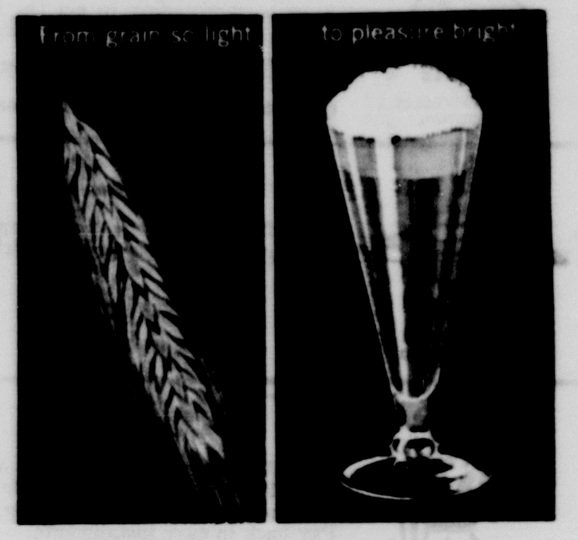

That's what I'm talking about. It's a spendid idea. I've got several in mind I'd like to nominate for the trip now. For example, right around here there are...well, you fill in the names, and if mine turns up, scratch it off, I'll be busy farming.

Yours faithfully,

J. A.

MILK INTO BUTTER

During the last decade, about one fourth of the milk produced each year has been consumed as butter, according to the National Dairy Council. Creamery butter, as contrasted to farm-churned butter, accounts for over 98 percent of the total consumption.

IN TEXAS

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer . . . Texas' traditional beverage of moderation — it's light, sparkling, delicious.

And naturally, the brewing industry in Texas considers it noteworthy that it contributes more than twenty million dollars to the state in excise taxes each year plus additional millions in licenses and permit fees. These millions of dollars help support our public schools, farm roads, old age pensions, teacher retirement funds and help needy children and blind citizens.

CARD OF THANKS

We wish to express our thanks to our friends and neighbors. To Dr. E. O. Smith and the nurses of St. Edwards Hospital for their help and kindness. To the dear people who remembered us in their prayers during the illness of our son Morris.
May God bless each and every one abundantly.
Mr. and Mrs. O. J. Hairston and family

Forty percent of the 155,000 acres irrigated from Arizona's Elephant Butte Resorvoir lie in Texas.

PETROLEUM USE HIGH

American farmers spend $3.2 billion yearly for fuel, lubricants and maintenance of machinery and motor vehicles. Farmers use more petroleum than any other single industry.

Elephant Butte Reservoir, largest in New Mexico, is on the Rio Grande 120 miles above El Paso.

LEGAL NOTICE
THE STATE OF TEXAS

TO: Bertha Schwab Farmer, a feme sole if living; and if dead, her legal representatives, and her unknown heirs; the legal representatives of her unknown heirs, if her unknown heirs are dead; the unknown heirs of the unknown heirs of Bertha Schwab Farmer, if the unknown heirs of her unknown heirs are dead, Defendants in the hereinafter styled and numbered cause:

You, and each of you, are hereby commanded to appear before the District Court of Milam County, Texas, to be held at the Court House of said County, in the City of Cameron, Milam County, Texas, at or before 10:00 o'clock A.M. on the first Monday after the expiration of forty-two (42) days from the date of issuance hereof: that is to say, at or before 10.00 o'clock A.M., on the 2nd day of December, A.D., 1963, in answer to petition of Carl Linke and wife, Ella Linke, in which Carl Linke and wife, Ella Linke, are Plaintiffs, and the above named are Defendants, which petition was filed in said Court on the 17th day of October, 1963 and the nature of which suit is as follows: action in trespass to try title for recovery by Plaintiffs of title to the following described lot or parcel of land:

All that certain lot, tract or parcel of land lying and being situated in Milam County, Texas, out of the J. J. Liendo four league grant and being out of the tract of 97 1-3 acres of land conveyed to Paul Schultz by H. Moerbe, deed dated October 27th, 1891, and recorded in Volume 33, pages 140-142, of the Deed Records of Milam County, Texas, and being more particularly described as follows:

BEGINNING at the S.W. corner of a one acre tract of land conveyed to T. Boriack by Paul Schultz by deed dated December 10, 1900, for the S. E. corner hereof;

THENCE N. 16 W. 188 feet with the west line of the said Boriack one acre tract for corner;

THENCE S. 74 W. 115.9 feet to a corner;

THENCE S. 16 E. 188 feet to the north boundary line of the Thorndale-Taylor public road for the S. W. corner hereof;

THENCE N. 74 W. 115.9 feet with the north boundary line of said road to the place of beginning, containing one-half acre of land, less a strip of the south side thereof granted for road purposes in the widening of Highway No. 43 and being the same land described in a deed from A. H. Weiser, et ux, to Herman P. Weiser, same being duly recorded in Volume 199, page 421, of the Deed Records of Milam County, Texas, to which reference is here made for all pertinent purposes of description.

Said land being described in Plaintiffs' original petition on file in said cause, numbered 15,323, entitled Carl Linke, et ux, vs. Bertha Schwab Farmer, a feme sole, et al.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

WITNESS, Grady Allen, Clerk of the District Court of Milam County, Texas.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in the City of Cameron, Milam County, Texas, this the 17th day of October, A. D., 1963.

GRADY ALLEN, CLERK OF THE DISTRICT COURT OF MILAM COUNTY, TEXAS

Issued this the 17th day of October, A. D., 1963.

Take Your Problems To Church This Week

Teacher Has The Right Idea

Her life has been filled with more than play, more sacrifice than gain or acclaim, but she considers the results worth all she has given of herself. She has learned to fulfill responsibilities with a glad heart, finding contentment and tranquility in accomplishments. Her brilliant mind and talents would have earned her much more in material endeavors. She chose teaching as her profession, with the conviction that if just one boy or girl each year was turned about and started in the right direction it was worth more than all the material gain she had sacrificed.

She finds contentment too, in her regular attendance at church. It buoys her up to face the problems of each day and week. It restores her spirit, as the psalmist promised, and it renews her strength if you but give it a sincere trial.

In The Service

MCCLELLAN AFB, Calif. - Master Sergeant Lawrence C. Thompson, son of Mrs. Gladys Thompson of Rockdale, Tex., has graduated from the Air Force Logistics Conmand Senior Noncommissioned Officer Academy here.

Sergeant Thompson was trained in management, leadership, human relations and other duties and responsibilities of senior Air Force noncommissioned officers.

He is returning to his permanent unit at Vandenberg AFB, Calif.

The sergeant attended Stark High School, Orange, Tex. His wife, Thurla, is the daughter of Mr. and Mrs. Archie A. Jennings of Las Vegas, Nev.

SHAW AFB, S.C. - James B. Johnson of Cameron, Tex., has been promoted to airman first class in the United States Air Force.

Airman Johnson, son of Mr. and Mrs. L. H. Johnson of Rt. 2, Cameron, is assigned to the 2020thCommunications Squadron here as a radio equipment repairman.

The newly promoted airman is a graduate of Yoe High School. His wife, the former Linda K. Kemp, is the daugher of Mr. and Mrs. Johnnie R. Pemberton of 601 S. College, Cameron.

SHAW AFB, S. C. - James B. Johnson of Cameron, Tex., has been promoted to airman first class in the United States Air Force.

Airman Johnson is a radio equipment repairman in the 2020th Communications Squadron here.

The airman, son of Mr. and Mrs. L. H. Johnson of Rt. 2, Cameron, is a graduate of Yoe High School. His wife, Linda, is the daughter of Mr. and Mrs. John R. Pemberton of 601 S. College in Cameron.

AMARILLO AFB, Tex - Frankie H. Hilton of Thorndale, Tex., has been promoted to airman second class in the United States Air Force.

Airman Hilton is an air policeman in the 461st Combat Defense Squadron.

The airman is the son of Mr. and Mrs. Linwood Hilton of Thorndale, and is a graduate of Thorndale High School.

Burlington . . .

By Mrs. George Logan

Mr. and Mrs. Paul Olbrich and son, Mark, were in Austin last Saturday.

Mr. and Mrs. T. Tesney of California were here in the home of Mrs. Celia McSherry last week. They were accompanied to Burlington by a grandson, Kevin McSherry of Sweetwater, who spent a few days in the home of another grandmother, Mrs. Celia McSherry. He is aged 4.

Mrs. Lillie Rummel of Cameron and Mrs. Lena Lucco of Ben Arnold visited Mrs. Hattie Benesh last Sunday.

Mr. and Mrs. Joe Benesh of Houston were guests of Mrs. Hattie Benesh last Wednesday.

Mr. and Mrs. Jodie Knapek of Houston, Mr.and Mrs. Larry Stalker and family of Waco, Mr. and Mrs. Leon Atomanczyk all of Waco were recent guests of Mr. and Mrs. Henry Helpert Sr.

Mr. and Mrs. A. E. Hensel spent several days last week in Dallas with relatives.

Mr. and Mrs. Phil Krause were guests of their daughter and son-in-law, Mr. and Mrs. James Bostick in Temple last Sunday.

The following guests of Mr. and Mrs. George Bargemeyer last weekend: Mr. and Mrs. O. Barkemeyer of Miss., Miss Ruth Barkemeyer who teaches school at Austin and Miss Georgia Barkemeyer who attends college at Denton.

Mrs. Alma Litzman entertained the 42 club at her home Tuesday, November 5. She served lovely refreshments.

Mr. and Mrs. Henry Litzman were in Waco Thursday for a visit to their uncle, Charlie Braden, who is ill.

Mr.and Mrs. Gerald Foshea left Saturday for Dallas for a visit to relatives.

Rev. R. Durham announced that the revival he was to preach in at Waco was postponed, so he came to Burlington Sunday and Sunday night and preached. He was a dinner guest of Mr. and Mrs. Billie Ray Benesh.

The election Saturday at Burlington was held by Judge Frank John and Mrs. Ray Schonhoeft, Mrs. Max Schnetze and Mrs. Pete Benesh.

Mrs. Aleta Marek is spending a few days in Dallas with her son, Mr. and Mrs. Billie Wayne Marek.

St. Anthony Lists Fire Prevention Contest Winners

The Herald inadvertantly omitted naming the recent Fire Prevention Contest winners at St. Anthony's School. Prizes were awarded to the following students:

First Grade-Carl Burnett, first; Gary Trdy, second. Second Grade-Rebecca Marek, first; Sherry Zarosky, second. Third Grade-Bobby Schoppe, first; Michael Trdy, second.

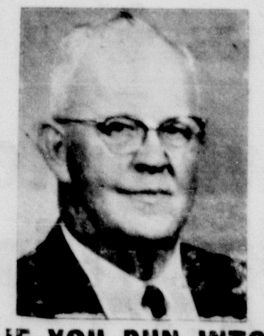

Fourth Grade-Joe Vaculin, first; Ireme De La Rosa, second.Fifth Grade-Alphonse Schoppe, first; Jean Marek, second. Sixth Grade-Cynthia Matula, first; Marilyn Marek, second.

Seventh Grade-Sharon McLerran, first; David Hurtik, second. Eighth Grade-George Pavelek, first; Larry Kamenicky, second.
